Is currently the Division Commander of Div. 3 in the City. He has been with the Department for 25 years and has worked on Engines, Trucks and Heavy Rescue Squads. Chief Franklin has served in the training division, qualified as a safety officer, along with being the Department Safety Officer and Chief of Special Operations.

Presented By:
Elite Command Training

\$325.00

(Both FEMA & SFT Certificates Included)

September 11 - 14, 2017

This is a MUST for all company & chief officers!! All Firefighters need to be skilled at Risk Assessment and Decision Making in navigating hazardous environments. You'll improve your knowledge, skill sets, and abilities to keep your members safe.

SAFETY OFFICER “ALL HAZARD” TOPICS:

- Operate at **single and multiple alarm building** fires safely
- Risk assessment and decision making process
- Roles & Responsibility of the I.C. & supporting the I.A.P.
- **Compliance and curriculum align with NFPA 1521**
- Tactical Analysis – 215A development and application
- Improving communication skill sets
- **Hazardous materials incident – tanker fire on freeway (development of the safety plan)**
- **Fire behavior predictions and NEW WUI applications**
- **Train derailment** – “all hazard” simulation class exercise
- Safety message development, delivery and implementation
- Focus for Line Safety Officers
