Precision Safety Training & Canna Code Training

Course: This 30-hour general Industry course meets the requirements for state licensing for the Bureau of Cannabis Control, Department of Public Health, and the Department of Food and Agriculture. A certificate and wallet card will be issued.

Topics meet the OSHA requirements and electives were chosen and customized to discuss the specific chemicals and hazards associated with the cannabis industry. Topics include but are not limited to:

OSHA Requirements	Nonflammable Gas	Cryogenic Gas	Flammable Liquids& Gas
Corrosives and Oxidizers	Compressed Gas	Hazard Communication	Safety Data Sheets
Electrical Safety	Lock Out Tag Out	Confined Space	Machine Guards
Air Monitoring	PPE	Respiratory protection	Industrial Hygiene
Ergonomics	Fire Extinguishers	Heat Illness Prevention	Fire Protection Systems
Fire Prevention	Exiting	Evacuation Planning	Managing Health and Safety

Fees: Fees must be paid via check, money order, cash, or PayPal. (Fees must be paid to reserve a spot and checks must clear prior to class start date.)

Cancellation, Credits, and Refunds:

Attendee cancellations must be submitted in writing at least 21 days prior to the class start date to be eligible for a refund. Cancellations less than 21 days prior to class will not be eligible for a refund. Students who do not show up to class will forfeit the entire amount of the course and will not be refunded.

In the event the class is cancelled or rescheduled the student will be notified and offered a refund or a seat in the rescheduled class.

Attendance: This course is held to the OSHA standard, including the number of contract hours required per training. Late arrivals, early departures, or no-shows for any of the course sessions will result in being dropped from the course roster without any fee refund. Students are expected to attend all sessions in full.

Registration: By registering for this course, you accept the terms as outlined.
