Class Synopsis: Will cover the significant changes to the California Codes
Classes are in person only and local Health Department guidelines will be followed.

0.6 CEU's from an ICC Preferred Provider

Instructor: Kevin Scott

Kevin Scott is President of KH Scott & Associates LLC providing fire and life safety consulting, plan review, code interpretation and application, and training. Kevin has extensive experience in the development of fire safety, building safety and hazardous materials regulations. Kevin has actively worked for over 35 years in the development of fire code, building code and fire safety regulations at the local, state, national and international levels. Kevin previously worked as a Senior Regional Manager with the International Code Council, and before that, he was Deputy Chief for the Kern County Fire Department, California, where he worked for 30 years. He has developed and presented many seminars on a variety of technical subjects including means of egress, high-piled combustible storage, hazardous materials, and plan review and inspection practices. He has authored or co-authored over ten books including the 2021 Fire Code Essentials and Significant Changes to the 2021 International Fire Code.
