Instructors

John LaTorra is currently a Regional Manager for CSG Consultants. He recently retired from the City of Redwood City where he was the Building and Inspection Manager. John chaired the Drafting, Public Hearing and Code Development Committees for the first international code, the International Plumbing Code. John has over 48 years of experience with municipal inspections and building codes and has been an instructor with a community college, state university and chapters for more than 44 years on building, energy, solar, mechanical and plumbing subjects. Mr. LaTorra is a former board member with ICC, ICBO and IAPMO and is able to instruct on a wide range of subjects related to the IBC, IRC, UPC, UMC, IMC and IPC.

John Taecker, P.E. has worked for Underwriters Laboratories for over 37 years. He has a BS in Mechanical Engineering from Cal Poly, San Luis Obispo, and is a California Registered Professional Engineer in Safety Engineering. He is a nationally recognized speaker on building, mechanical, electrical, and plumbing products and installations. John has served on the UMC and UPC Technical Committees and the International Mechanical Code Development Committee.
